Re: Cause No. D-1-GN-17-006632; *Environmental Protection in the Interest of Caldwell County, et al. v. Texas Commission on Environmental Quality; in the 45<sup>th</sup> Judicial District, Travis County, Texas*

Dear Counsel:

This case has been assigned to this court. You must present all motions and orders, including agreed motions and orders, to this judge only.

Please familiarize yourselves with Chapter 10 of the Travis County Local Rules as amended in 2014. Chapter 10 incorporates the TRAP rules on the "Requisites of Briefs," with some exceptions, as well as the limits on length. The court may reject briefs that do not comply with Chapter 10. Take special note of the requirement that appendices be separately bound from briefs.

Counsel must attempt to agree on a briefing schedule, which should be provided to the Court within 60 days of the date of this letter. If the parties cannot agree to the schedule or need an extension of time to provide the schedule, please contact the court's Staff Attorney, Lisa Richard at (512) 854-4916. Further, the briefing schedule must provide that the last brief be filed and delivered to the court no later than thirty days before the scheduled hearing date.

Please contact the court's Court Operations Officer, Nicola James at (512) 854-9306 for dates and times the court is available for a hearing. For any setting on the Central Docket (9 a.m. or 2 p.m. Monday through Thursday), you must announce.

I look forward to working with you on this case.

Sincerely,

Dustin M. Howell  
Judge, 200th District Court
